

Cloud-Based Legal Matter Management

For State and Local Government Agencies

State and local government agencies crave the tools to make them just as capable and efficient as any law firm or corporate legal department. Luckily, today's technology can create efficiencies for the entire legal team. Cloud-based solutions enable innovation, accessibility, and productivity at a faster rate than what could be achieved by technologies of the past, with the same or better security. The cloud-based Mitratesch platform centralizes matter information while aligning with a legal department's unique workflows and business standards.

Legal teams at state and local government agencies using Mitratesch CaseCloud™ can create efficiencies, better manage costs, and create more consistent results, which will improve satisfaction among constituents.

Achieve Better Results with the Mitratesch Matter Management Solution:

- ✓ Improve and economize workflow from matter intake to resolution
- ✓ Increase effectiveness by capturing, prioritizing, estimating, and assigning matters using automated processes
- ✓ Standardize repeatable matter activities to maximize beneficial outcomes and ensure best-practice compliance
- ✓ Enjoy rapid customization and extension to meet changing business demands without dependency on single-vendor solutions
- ✓ Work anywhere, anytime, with cloud-based, full-function and secure mobile access
- ✓ Reduce risk, ensure compliance, and speed up transactional work with Mitratesch CaseCloud™
