2. On the Contact detail page you can see Flow in the right side panel and also see the Influencer match list. Email input automatically populated from contact email.
3. Click the Next button.

The screenshot displays a web application interface for managing contacts and influencer matches. The top navigation bar includes a search bar and a menu with options like Service, Home, Chatter, Accounts, Contacts, Cases, Reports, and Dashboards. The main content area is divided into two panels. The left panel shows the contact details for 'Sam Sulek', including fields for Title, Account Name, Phone, Email, and Contact Owner. The right panel contains the 'Influencer Match' section, which includes a 'Next' button and a 'Matched Accounts' section. The 'Influencer Match' section also features a 'Next' button and a 'Matched Accounts' section.
