

IS YOUR PRODUCT INFORMATION ORGANIZED? BE HONEST.

MANAGING COMPLEX PRODUCT DATA IN A SILOED OR LEGACY SYSTEM IS HARD.

Inaccurate
product data
pushes
customers
away

Slow product
launches
equal lost
revenue

AI agents
struggle with
your product
data

Fear of
switching has
you stuck

B2B COMPANIES TRUST PIMLY TO SOLVE THEIR PRODUCT INFORMATION CHALLENGES

Up to 1400% faster product launches

400% less time managing
product information

75% faster customer issue resolution

Discovering Pimly has been a game-changer. The pricing finally aligns with the value, offering an affordable and efficient solution that enhances our business processes."

– John P. Chief Communications
Officer & VP IT, NuAire Corp.
