

The Full-Service Payroll, HR, Project & Expense Management, and Billing application on the Salesforce Platform

Why Sunrise HCM?

REVOLUTIONARY NO FEE FULL SERVICE PAYROLL PROCESSING:

- Disrupting the payroll market by offering full service payroll with absolutely no transaction fees! Unlike legacy payroll providers, Sunrise HCM charges NO transaction fees, NO per payroll fees, NO direct deposit fees, NO tax withholding, NO payment processing or tax form filing, and NO fees for W2s and 1099s--absolutely NO fees.
- Over 25 years as owner and operator of full service payroll service bureau.
- Dedicated Sunrise HCM Payroll Operations Representative.

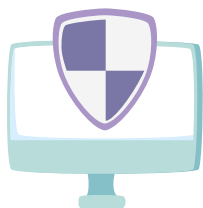

SALESFORCE FULL SERVICE PAYROLL SOLUTION:

- The only Full-Service Payroll, HR, Project & Expense Management, and Billing application on the Salesforce Platform.
- Single time entry for both payroll and customer project billing purposes.
- Native Salesforce data allows for quick integration with other business processes on the platform such as accounting.

COST SAVINGS:

- Sunrise HCM saves customers over 50% in payroll, HR, project management, and billing costs and over 1000 hours per year in processing time.
- Sunrise HCM reduces the number of platforms IT departments need to support--a single platform for all of your business automation.

SECURITY YOU CAN TRUST:

- Uses Salesforce security model. Easy to understand and to maintain.
- Your employees and contractors log in to one platform rather than disparate systems.
- Protect company from PII audit violations. Sunrise HCM payroll data is readily available directly on the Salesforce Platform--no exporting or importing of data that contains sensitive personnel data, and no data transformations are required.
