

Org admin. Different bench than Finish Watch.

Watch is Apex/LWC hypercare after a Finish Score. This retainer is users, permissions, Flow, and quarterly security.

TIER 1

Essentials

\$1,000 / mo

5 hours · \$12,000 / year · billed annually

- Admin & support — users, permissions, Flow
- Email support next business day
- 30-minute minimum per incident
- Unused hours do not roll over

TIER 2 · MOST POPULAR

Growth

\$2,750 / mo

10 hours · \$33,000 / year · billed annually

- Priority email — 4 business-hour SLA (9-5 ET)
- Unused hours can fund project work that month
- Quarterly roadmap & strategy session
- Quarterly security reviews included

Not Finish Watch

Watch scores and patches the app you Finished. This plan runs the org.

Security add-on \$1,500 / quarter on Essentials only (included in Growth).

Org Assessment is quoted separately and is not this retainer — and is not a Finish Audit.

Annual billing is charged in full upfront. Hours reset monthly.
