

Immensity Form

ABOUT US

Immensity Form is the Salesforce app designed to revolutionize the way you collect and manage data. Whether you're in sales, operations, marketing, HR, or customer service, Immensity Form offers a seamless integration with your Salesforce org, making it easy to create and embed custom forms and surveys into any webpage.

KEY FEATURES

Seamless Integration: Capture data directly to any standard or custom object, and use form submissions to create new records or update existing ones. Tag form links to specific record IDs for precision data management.

Prefill Forms with Salesforce Data: Allow targeted individuals in your campaigns to review and update their information, ensuring your data remains current and valuable.

Multi-Step or Multi-Page Formats: Reduce form abandonment rates by capturing even partial form completions as users navigate through the steps.

Engagement Tracking: Track user engagement with embedded forms, providing near real-time awareness and notifications to your sales or marketing team.

Versatile Data Population: Populate data across multiple objects and capture attribution information to track which channels are driving the most traffic.

Content Gating: Use form submissions to grant access to additional content, guiding users through your marketing funnel with ease.

Customizable Styling: Style forms via CSS to ensure a consistent look and feel that aligns perfectly with your brand identity.

SERVICES

Ease of Installation and Configuration: Immensity Form is designed to be easy to install and configure, so you can get up and running quickly without the need for extensive technical expertise. Our user-friendly setup process ensures that you can start capturing and managing data in no time.

Simple Pricing Model: We offer a straightforward pricing model based on a flat fee per Salesforce instance. This includes unlimited forms and unlimited submissions, providing you with the flexibility to scale your data collection efforts without worrying about additional costs.

Exceptional Customer Service: Our customer service team goes above and beyond to ensure that our clients are happy. We are dedicated to providing the support you need to make the most of Immensity Form and achieve your data management goals.
