

SALESFORCE INTEGRATION

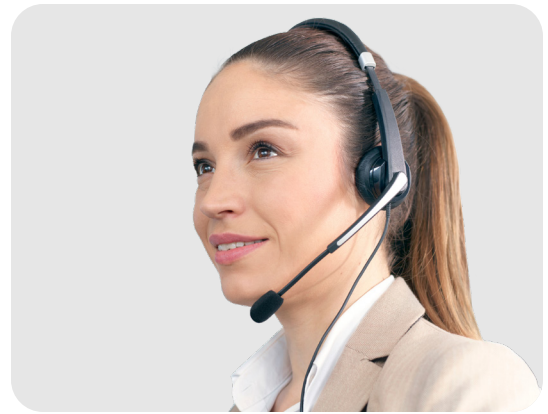

Turn pipeline into revenue, faster

PhoneBurner increases calls and conversations up to 4x and helps teams scale best-practices that win deals.

Dial directly from Salesforce

Initiate dial sessions from Contacts, Leads, Opportunities, Tasks, Activities, Cases, or Custom Objects, and reach up to 80 contacts per hour.

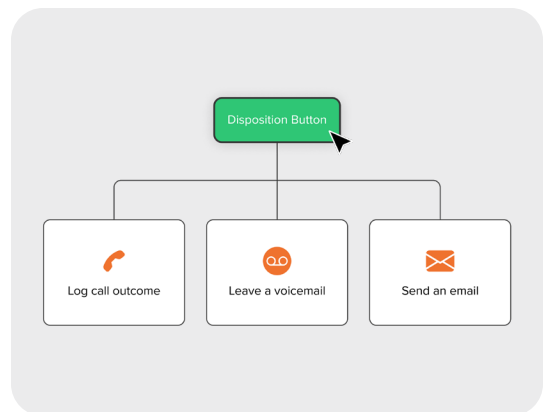

Connect instantly

When contacts answer, connections are 100% natural and delay-free.

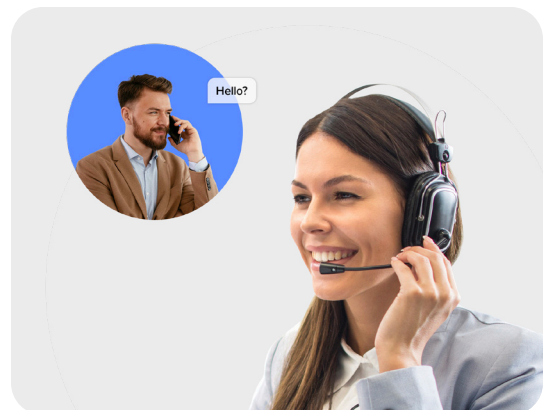

Streamline post-call processes

PhoneBurner dials, drops voicemails, sends 1-click emails, logs calls and more, so reps stay fresh and focused on high-value interactions.

Maximize quality conversations

Concerned about answer rates? We help you reduce the risk of spam flags and optimize engagement KPIs, so more deals close.

PhoneBurner is just lightning fast

“

Not only is PhoneBurner a great replacement [for our previous dialer], it's significantly better from both a product and service standpoint. You deliver a unique level of support in this market.

Top 6 reasons you'll love Salesforce + PhoneBurner

1. Serious time savings

Take your day back. PhoneBurner eliminates soul-sapping, repetitive tasks so reps accomplish more, in less time. You'll multiply live interactions without anyone knowing you're using software.

2. Cadences that win deals

Nurture contacts at the right time, every time. Use our pre-built multi-step call cadence or create your own custom sequences, and ensure reps unlock every ounce of potential in your pipeline.

3. Auto-logging of calls and outcomes

Avoid double work and maximize efficiency. Call activity is automatically logged in Salesforce while the next contact is dialed.

4. Detailed reporting

Data drives smart decisions. PhoneBurner helps you track the KPIs that matter. As Paul Baldovin of Cetera put it, "It's the first time I've seen reports coming out of a CRM that really help guide management. It's a total source of truth."

5. Ease of use and scalability

Highly customizable and beautifully scalable to fit your team and process, PhoneBurner earns rave reviews for usability and customer experience.

6. A team that cares (a lot)

Software is only as good as the team that powers it. Our award-winning US based team is fully committed to your success. You'll notice the difference from day 1.

Read what Salesforce users are saying

“

Incredible tool with the best tech support I've ever experienced. My sales numbers at least doubled and certain months tripled.

—John Odom

“

PhoneBurner made an immediate positive impact on outbound dial activity and deal volume for my team. Implementation was very simple... adoption was immediate. Amazing service.

—Chelsey Langan

“

Our sales team loves the automated emails and the activities being logged for them. From an admin standpoint the maintenance is simple. Nice to have an app you can actually calculate an ROI.

—Lee Bennett

“

Amazed at how much more efficient I could be and the time saved using PhoneBurner. It syncs with my Salesforce and updates the activity history reducing the need to go back and manually enter notes. HUGE timesaver!

—Richard Witter
