

Voice for Chatter – User Guide

STEP 1 – Install the Voice For Chatter App

Voice for **Chatter**
by ANGEL

Voice for Chatter

App by Angel.com 8/2/2011

Now salespeople on the road can immediately update their Salesforce Chatter feed by simply using their voice. With **Angel's Voice for Chatter**, a sales person can update their Chatter feed by simply dialing into a phone number.

Enter Details for Registering Caller ID

Register Caller ID

Salesforce.com User Name * sameer@angel.com

Salesforce.com Password *

Salesforce.com Security Token *

Caller ID * 2342344566

Company Name * Angel

Environment Production ▾

Register Caller ID

STEP 3 – Call 877-304-1258

NOTE – This number is only available for a 30 day trial period. Please contact an Angel sales rep to get a dedicated phone number for your company.

Once done, your transcribed chatter status would get posted along with the original audio message link.

Updates for everything I'm following
