Supported Migrations

- Highrise to Salesforce
- Zoho CRM to Salesforce
- Sugar to Salesforce

"We ran into huge problems with migrating our data out of Highrise. Import2 has found a way to make this migration a snap and can be done in just a day or two. Import2 is a much needed tool for those making the switch from Highrise to Salesforce."

Aaron Rich, EchoUser

"Frustration-free import. No problems encountered. A+"

Shawn Fairweather, The Fowler Group

We had the whole migration completed with tasks, within a few hours. The time and money saved with Import2 is a godsend.

Brendan Tjahjadi, QuantumLinx

Switching CRM has never been so easy before.

Import2 for Salesforce Datasheet

Bring Your Data Into Salesforce Quickly And Easily

Save weeks of your business time by automating all the steps of CRM data migration and allowing you to monitor the process using simple online user interface.

No Scripts, No Mappings, No Hassle!

Eliminates all technical work that used to be done manually. Absolutely no special knowledge is needed to successfully import the data.

Instant Import

Here's how it works: You authenticate with your old CRM and Salesforce accounts and press "Start" button. Right after that Import2 automatically downloads all contacts, accounts, leads and opportunities from the old CRM and immediately moves them into Salesforce.

Import2 for Salesforce Features

- Automated import of CRM objects: Leads, Contacts, Accounts, Opportunities, Tasks, Notes, Emails and Attachments.
- Works with all Salesforce editions
- Can export data from ACT!, Highrise, Microsoft Dynamics, Sugar and Zoho CRM
- Scheduled imports

How is Import2 Different?

Unlike implementation consultants Import2 has built fully automated solution. As a result speed of moving the data is lightning fast and cost is very low.

Predictable cost with money back guarantee.

Full migration is a premium service with a one-time fee starting from $299.
Start your data import now at **http://www.import2.com/salesforce**.
Or call 650-646-5449.

You can count on Import2 quality and reliability. Don't like import results for any reason? Will refund your fee and clean all the imported data. No questions asked.
