# Fast Track Salesforce.com Integration Package

# Can't Get The Data From Your System

- ❓ Do you maintain **Customer Data In Multiple Systems** and find it difficult to manage them?
- ❓ Do you maintain opportunity in Salesforce.com and **Process Orders In Some Other System** and feel the pain to link them together?
- ❓ Do you have **Multiple Sources For Capturing Leads** and can't get them in Salesforce.com?
- ❓ Do you want to **Recognize The Revenue** in Salesforce.com?
- ❓ Do you really know your customer well with **360 Degree View**?
- ❓ **And Many More Issues With Your Data???**

If the answer is 'YES' to any of the above let's go ahead...
