

Abstract

IMPERIUMTEX is designed for white & dyed, printing, yarn dyed, yarn spinning and grey weaving textile mills to have a seamless integration in the process flow from receiving enquiries to issuing contracts, production instructions, packaging and invoicing. In short, a contract can be tracked completely from enquiry stage to final shipment for every customer.

Description

IMPERIUMTEX incorporates enquiry quotation, contract issuing, production instructions, color library management, packing list functions for carton, loose, bale or pallet packing and invoicing..

Highlights

Name	Description	Type
Customers / Contacts	Documents business schedules and reports and contact preferences in addition to customer data.	■
Finishing Orders	Generates contracts for white and dyed orders, printing orders and yarn dyed orders.	■
