

# Salesforce.com Implementation

Salesforce.com is one of the crucial investments for your company and you want to get it implemented effectively. Considering the budget constraints that businesses have - it is important for them to get it right the very first time they are implementing.

With our **Salesforce.com Implementation Services** we will help your company realize effective results for SFDC implementation.

Our services will cater to the specific requirements of your business where our consultants will work with your business team to give solutions that address your business objectives and aid in your success.

| Group Edition Implementation  | Professional Edition Implementation   | Enterprise Edition Implementation  |
|---|---|--|
| <ul style="list-style-type: none"><li>• USD 1000</li><li>• 1 Week</li><li>• 2 Consultants</li></ul> | <ul style="list-style-type: none"><li>• USD 1800</li><li>• 2 Weeks</li><li>• 2 Consultant</li></ul> | <ul style="list-style-type: none"><li>• USD 3600</li><li>• 3 Weeks</li><li>• 3 Consultants</li></ul> |
