

Customization & Enhancement Guide

Install REO HQ from Appexchange

Browse to the REO HQ listing page on the Appexchange and click the “Get It Now” button. Once installed, select the REO HQ app from the application selector in the upper-right hand corner of your Salesforce console. You are now ready to use REO HQ to manage your brokerage/asset management office! Use this application to create specialized records for:

- Properties
- BPOs
- Evictions & CFK Negotiations
- Showings with Feedback
- Expenses & Reimbursements
- Offers
- Closings
- Contacts
- Companies

For more information, please e-mail support@reohq.biz or call (630) 853-3804.
