DRIVING INNOVATION IN THE CLOUDS

American Data Company is a **business process and technology consulting firm specializing in Cloud Computing technologies**. Since 2003, we have assisted Mid-Market and Enterprise organizations to “do more with less” by leveraging Cloud technologies such as the Force.com Platform, Salesforce.com CRM, ExactTarget, and Amazon Web Services.

Headquartered in **Los Angeles**, CA, with satellite locations in **Salt Lake City**, Utah and **Toronto**, Canada, we **serve clients across North America** in the following ways:

CONSULTING

American Data Company provides advisory services – evaluating business processes, providing strategic insights and best practice recommendations, and assessing technological fit.

IMPLEMENTATION

We help clients to architect, migrate, develop and integrate applications in the Cloud.

TRAINING

We enable your team to get a leg-up and establish self reliance through customized training experiences.

STRATEGIC PARTNERS

"American Data Company... is one of the fastest growing Cloud Computing technology consulting firms".

– Salesforce.com,
July 2009

WORKING WITH AMERICAN DATA COMPANY

Whether you're talking to Executives, CIOs, or Mid Managers, one thing you will hear from our clients time after time is, **"American Data Company is our partner in the Cloud."** Because we build long term partnerships with clients and consistently delivery time after time, it's no wonder that our client satisfaction ratings are consistently amongst the highest.

Here are what some of our clients have to say:

"American Data Company has proved themselves time and again by providing... reliable integration and superb customer service."

– Peter McCorkmick, Co-Founder & VP Partnerships, ExactTarget

"American Data Company has done a stellar job understanding our business processes, creating custom applications, integrations and customizations..."

– Patrick Lewis, Services Operations Manager, Edgenet Inc.

THE ADC TEAM

American Data Company's team comes from backgrounds you can trust.

Our leadership team possesses more than 50 years cumulative experience in business process and technology consulting – joining us from companies such as eBay, Urban Science, and Siebel Systems.

All of our consultants and developers hold industry certifications for the latest in Cloud Computing, ensuring our delivery team can apply the appropriate technologies and best practices to solve your business challenges.

OUR PARTNERSHIPS

Our established partnerships with **Amazon Web Services, ExactTarget, IBM, Salesforce.com**, and other strategic organizations ensure you will have access to the latest product developments, high level support, and executives. These partnerships provide insights we can share with you about future roadmaps as well as access to elite support resources.
