

Client & Technology Partnerships

CIO, Publishing Company

“The DGT model allows us to work closely with Suyati to hire the most talented people in the market – at a fraction of our historical cost - and offers us great flexibility in scaling and deploying those resources.”

Randy

Global Director, Application Development

“When it comes to Salesforce development, we trust Suyati. Suyati has excellent expertise in synchronizing legacy applications with Force.com platform, creating lead management systems using sophisticated scoring and conversion workflows, and integrating with in-house web services and Google services. The Suyati team has delivered top notch and innovative results. Through its partnership with Salesforce and development projects, Suyati continues to strengthen and build its center for excellence in Salesforce. We have thoroughly enjoyed working with the team at Suyati and look forward to growing our engagement..”

Mark

CIO, Retail Fulfillment Provider

“The infrastructure at Suyati is world class.. Suyati's security policies, physical and system safeguards and the integrity of the leadership ensure that our IP developed at Suyati remains totally secure.”

Gerry

CEO, Spanish Telecom Company

“Suyati was able to assemble a competent team of software engineers and architects with the skills we required in multiple areas including open source and mobile programming very quickly.”

David

President, Retail Fulfillment Service Provider

“The team is very responsive to our requests and has excellent communication systems and processes in place to manage our high expectations for delivery. We love working with Suyati.”

Matthew

President, IT Design & Development Company

“Suyati’s management stepped up to share our business risk when the need arose and have been a true partner to us in these challenging times.”
