

summa

Lightning Experience Education & Enablement

Duration: 1 Day

(On-site or at Summa Design Studio)

Investment: \$2,000

Includes:

- + Lightning Experience education and roadmap
- + Potential use cases discussion
- + Lightning Experience gap analysis
- + Rollout and adoption strategy

For customers who want to:

- + Deeply understand what Lightning Experience is and what it is not
- + Gain visibility into the Lightning Experience roadmap
- + Examine their organization for potential future pilot use cases
- + Understand change management approaches that drive adoption
