

# summa

## Lightning Experience Transformation

**Duration: 5 Days**

**Investment: \$9,000**

**Includes:**

- + Lightning Experience education and enablement package
- + Iterative configuration with mid-day and end-of-day reviews
- + Testing and deployment
- + Admin and end user testing

**For customers who want to:**

- + Transform how their organization uses Salesforce through a structured pilot release
- + Have pilot user groups adopting the new Salesforce.com in one week
- + Educate and enable internal admins to continue Lightning Experience rollouts
