

NEURAFLASH

Intelligent Customer Service Solutions with Service Cloud

Why not take advantage of your no cost Salesforce Sales to Service Cloud license upgrade?

We are Salesforce Service Cloud and Contact Center Experts. What a tremendous opportunity to evaluate if Service Cloud can help bring a great customer experience and ROI to your call center! Engage NeuraFlash today for our **NO COST** Discovery.

Flash Discovery Sessions

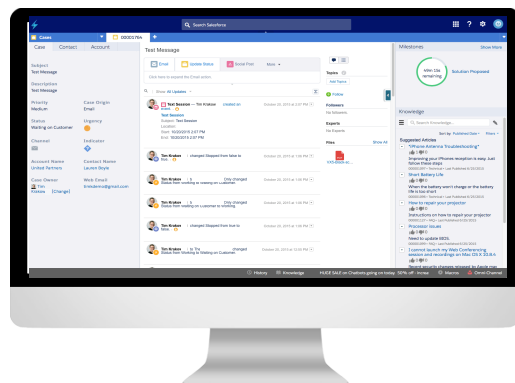

Our expert Service Cloud team will engage with your team and run Flash Discovery Sessions to understand your business, processes, and customer service objectives.

Recommendations and Proposal

NeuraFlash will analyze your business objectives and provide personalized recommendations for the optimal Service Cloud solution for your organization. In addition, we will create a proposal for the work involved, including project plans, effort levels, and dependencies on your organization.

Performance Based Pricing Models

We are 100% committed to your success. That's why we offer performance and success based pricing and project models for our services. When you succeed, we succeed, it's that simple.
