Select the object you want to Analyze and set Active to TRUE. Click on “Save”

The screenshot displays the Salesforce Field Analyzer Setup interface. The browser address bar shows the URL: <https://na35.salesforce.com/a00/e?retURL=%2Fa00%2Fo>. The page header includes the Salesforce logo, a search bar, and navigation links for FA QA, Setup, Help & Training, and Field Analyzer. The main navigation bar contains links for Home, Field Analyzer Setup (active), Field Usage History, Field References, Leads, Accounts, Contacts, Opportunities, Cases, Reports, and Dashboards. On the left sidebar, there is a 'Create New...' button, a 'Recent Items' list with entries like 'Acme - 1,200 Widgets', 'FAS-001', 'Demo Account1', 'FAS-000', 'Test Demo Account', 'Demo Account', and 'Test Account', and a 'Recycle Bin' button. The main content area is titled 'New Field Analyzer Setup' and contains a 'Field Analyzer Setup Edit' form. The form has a 'Save' button, a 'Save & New' button, and a 'Cancel' button. Below the form, there is an 'Information' section with a table. The table has two columns: 'Object' and 'Active'. The 'Object' column has a dropdown menu set to 'Lead'. The 'Active' column has a checkbox checked. The 'Owner' column shows 'FA QA'. At the bottom of the form, there are 'Save', 'Save & New', and 'Cancel' buttons. The footer of the page contains the copyright notice: 'Copyright © 2000-2016 salesforce.com, inc. All rights reserved. | [Privacy Statement](#) | [Security Statement](#) | [Terms of Use](#) | [508 Compliance](#)'. The Windows taskbar at the bottom shows the time as 10:54 PM on 10/17/2016.

To view the list of fields in the objects being analyzed, go to Field Usage History tab

The screenshot displays the Salesforce Field Usage History interface. The top navigation bar includes tabs for Home, Field Analyzer Setup, Field Usage History (selected), Field References, Leads, Accounts, Contacts, Opportunities, Cases, Reports, and Dashboards. The left sidebar shows a 'Recent Items' list with various account and widget entries, and a 'Recycle Bin' button. The main content area is titled 'New Field Usage History' and features a table with the following columns: Action, Id, Object, Field, Field Type, Has Default..., Date Analysis Start..., Date Last Used in Insert, and Date Last Used in Update. The table contains 11 rows of data, each representing a field usage record. The bottom of the page shows a pagination bar indicating '1-12 of 12' items, '0 Selected', and a 'Page 1 of 1' status. The system clock at the bottom right shows the time as 10:56 PM on 10/17/2016.
