ABOUT US

Oppex is the largest source of public procurement data in Europe. We process and translate weekly public tenders from over 1000 local, national and international procurement portals. With over 8 million tenders in the data base, we have the best overview on any public sector industry, as well as the top players involved. Founded in 2013, Oppex has been growing rapidly ever since.

Our clients are large multinationals, small local enterprises from various industries, professional service providers, governmental agencies as well as Economic Development Organizations.

NEVER RISK
MISSING A TENDER.

WHAT OUR CUSTOMERS SAY

"With Oppex I am sure not to miss any international opportunity! The ease of use, the customer support and the amount of international tenders made me fond of it"

- Julia Heggemann, Business Development Manager at CWS Boco

"We have, through Oppex, been able to bid on a number of projects outside of our usual geographical sphere."

- Austen Smith, Senior Architect at Farrells
