

MIL SERVICES

A COMMITMENT TO EXCELLENCE

MIL was established in 1980 and has since provided top-notch cyber, engineering, financial, and information technology services to the federal government. Our subject matter experts help to advance customer operations through proven tools and methodologies. Creative and highly skilled professionals are what set us apart.

CYBER

MIL develops, tests, certifies, and deploys the technologies and methodologies our customers need to protect their critical data and infrastructure. We leverage our corporate experience applying information assurance best practices to support our customers in reducing risks, threats, and vulnerabilities in cyberspace by employing new cyber-defense operating concepts to protect networks and systems against intrusions and malicious activity.

ENGINEERING

MIL provides systems lifecycle solutions that span research, design, test & evaluation, logistics, and office support. Additionally, our team provides engineering, production, and technical management support services for various C4I communications-electronic systems, subsystems, and equipment.

FINANCIAL

MIL offers financial services dedicated to providing a wide variety of cost-effective solutions. Our team supports the federal government in the implementation, support, and maintenance of commercial off-the-shelf (COTS) and custom financial management, accounting, and administrative systems. Additionally, MIL provides financial and IT support across the globe. Our client partners benefit from proven, hands-on solutions, while maintaining an objective view.

INFORMATION TECHNOLOGY

MIL provides systems administration, service desk solutions, cloud computing, and applications development. Our IT services also include infrastructure, applications development, and help desk support. Holding a CMMI level 3 appraisal, our processes keep systems running efficiently and effectively.

PEOPLE MAKING THE DIFFERENCE.

MIL's subject matter experts help to advance customer operations through proven tools and methodologies. Dedicated to excellence, service, and support, MIL recognizes that sustained high-quality service delivery is the most important contributor to our success. Our proven ability to retain existing customers (several for over 30 years) and build long-term relationships is proof of the MIL commitment and is a direct result of the outstanding performance of our team. We've been recognized by our clients and industry professionals alike for our integrity, diligence, and expertise across our core service areas.
