Environment Overview

The screenshot shows a web browser window with the URL `https://eu5.salesforce.com/a00/o`. The page is the 'Magic xpi Environments' interface. At the top, there's a navigation bar with tabs: Home, Chatter, Reports, Magic xpi Settings, and Environments (which is active). Below the navigation bar, on the left, is a sidebar with a 'Create New...' button and a 'Recent Items' list containing links to 'UK Office', 'HQ Office', 'Jerome Elek', '0000000', 'Avi Wolf', 'Sami Cohen', and 'Magic logo'. The main content area is titled 'Environments Home' and includes a 'View: All' dropdown and a 'Go!' button. Below this is a section titled 'Recent Environments' with a 'New' button and a 'Recently Viewed' dropdown. A table displays the following data:
