

Local KnowWho for SALESFORCE

Manage your communication with more than 60,000 county and municipal elected officials.

Find contact and biographical information for key elected officials in 3,000 counties and more than 3,600 municipalities.

One simple install creates contact records for local legislators, county and municipal executives, and key administrators.

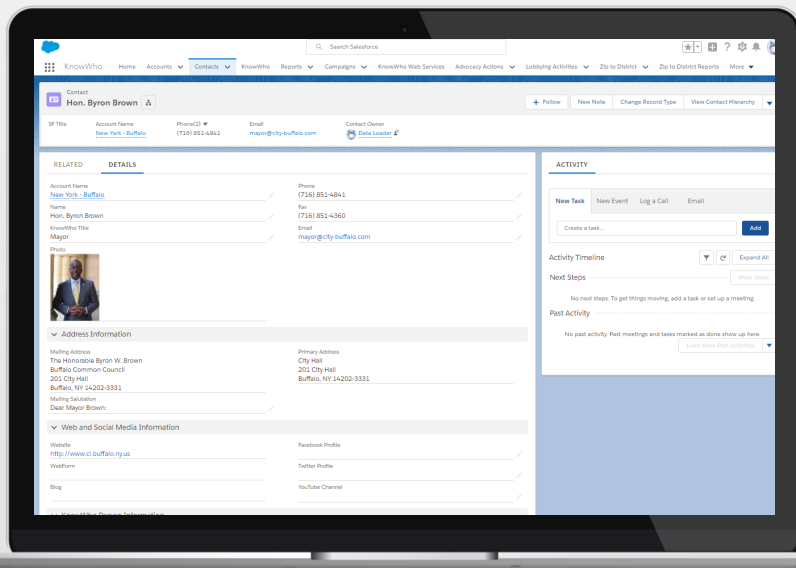

Local KnowWho for Salesforce includes:

- Contact information - address, phone, fax, and email address
- Photos and biographies for key local officials
- PDF Briefing Report for each elected official.

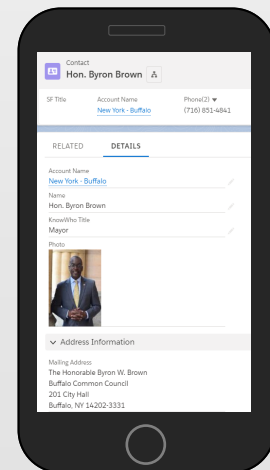

- Native to Salesforce using standard Salesforce Account and Contact objects
- All native features of Salesforce including tasks, notes, and activities
- Web applets including links to interactive maps

ALSO AVAILABLE:

- Congress, Federal Executive, and state elected officials
- Ability to add Action Center Toolkit, and ZIP Code-to-District Matching apps to your local directory.

ALL SALESFORCE DIRECTORIES CAN BE USED ON YOUR MOBILE DEVICES.
