

FedExec KnowWho for SALESFORCE

Manage your communications with more than 28,000 White House, Federal Department & Agency Executives

Find contacts and biographical information for key White House, and federal executives in the cabinet departments and agencies

One simple install creates contact records for thousands of executives in The White House, departments, and agencies.

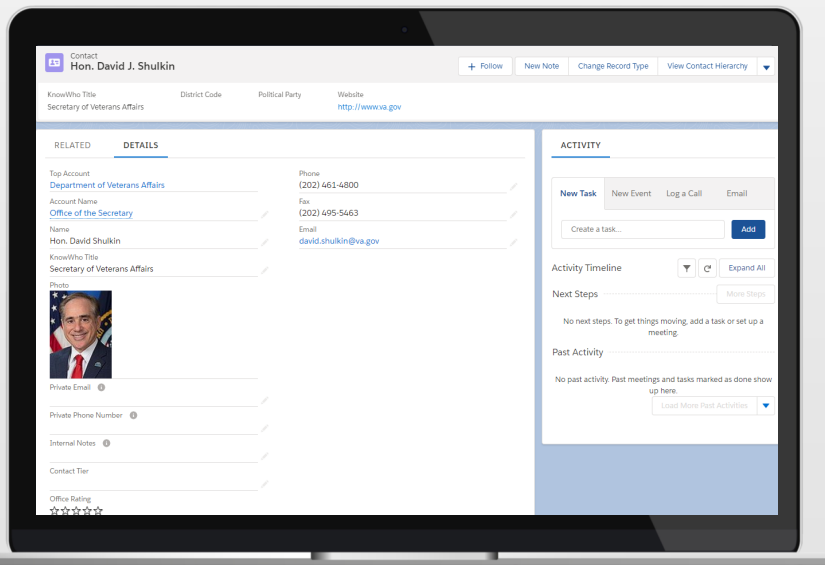

FedExec KnowWho for Salesforce includes:

- Contact information—office address, phone and fax, email, and web URLs
- Photos and biographies for top executives
- Social media URLs

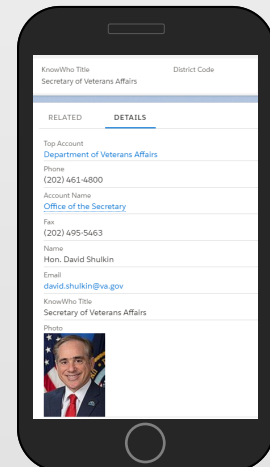

- Native to Salesforce using standard Salesforce Account and Contact objects
- All native features of Salesforce including tasks, notes, and activities
- PDF briefing report available for each executive to use for reports or presentations
- Nightly updates of Salesforce directories

ALSO AVAILABLE:

- Congressional, state, and local elected officials
- Action Center Toolkit and Lobbying Activity Tracker apps can be added to your FedExec subscription

*ALL SALESFORCE DIRECTORIES CAN BE
USED ON YOUR MOBILE DEVICES.*
