

State KnowWho for SALESFORCE

Manage your communication with more than 21,000 state legislators, key executives, and their staff.

Find contact and biographical information for 7,552 state legislators, more than 4,200 state executives, and 9,500 staffers.

One simple install creates contact records for elected officials from all 50 states. Records are also created for committees and state agencies.

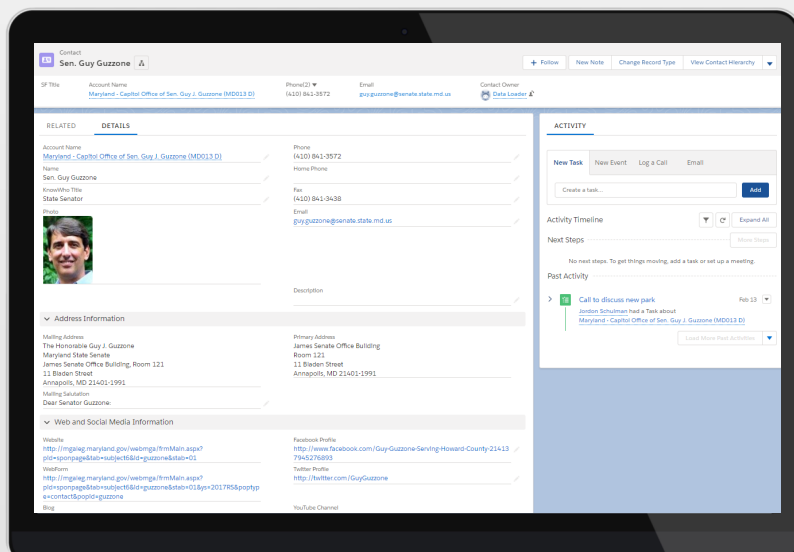

State KnowWho for Salesforce includes:

- Contact information - phone fax, email
- Photos and biographies of key state officials
- Leadership positions and committees
- PDF Briefing Report for each key state official

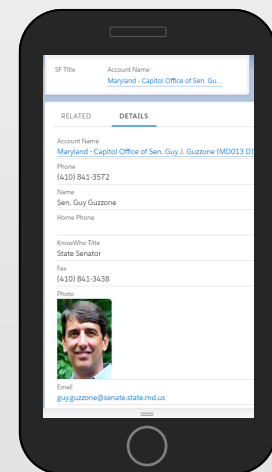

- Web applets including links to interactive maps and election information
- Native to Salesforce using standard Salesforce Account and Contact objects
- All native features of Salesforce including tasks and activities

ALSO AVAILABLE:

- Congress, Federal Executive, local elected officials
- Ability to add Action Center Toolkit, ZIP Code-to-District Matching, and Mapping apps to your state directory.

ALL SALESFORCE DIRECTORIES CAN BE USED ON YOUR MOBILE DEVICES.
