

Built for Canada

Fundraise like it's 2019. Rallybound gives nonprofits of any size a modern digital fundraising platform that is clean, fresh, powerful, and easy to use. Using our unique digital fundraising solutions, your supporters can customize their own personal fundraising pages, create fundraising teams, and start collecting donations from friends and family. Nonprofits across North America, including the Canadian nonprofits listed below, trust Rallybound to power all of their online fundraising needs - we look forward to working with you!

Multiple Currencies

- All donation pages can display, and be donated in, CAD and/or USD
- Reporting on transactions can be sorted by currency

Multiple Languages

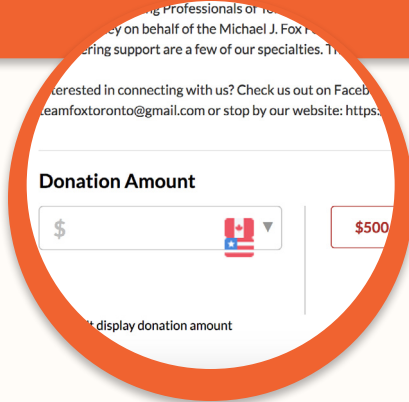

- Entire front-end interface can be offered in either English and/or French
- Autoresponders can be sent in the desired language and/or in both languages

Fully Compliant

- Donors receive an official receipt in the form of a PDF attachment to their email confirmation
- Receipts can be formatted in French
