

"Miller Results was thorough in its research as to how we do business and how to implement Salesforce Service Cloud.

I sought out Miller Results because of its disciplined 'do it right the first time' approach, which made for a great rollout, and in turn helped us increase sales."

#### - Aubrey Bowman

Salesforce Administrator, Service Manager, Field Engineer

Strategic Connections, Inc. is a trusted installer and servicer of audio-visual systems, telephone systems, fire alarm systems, and structured cabling, headquartered in Raleigh, NC
