Team Members

### ADVISORY SERVICES

Maximize your growth, efficiency, and customer experience with strategic guidance from our transformation and optimization experts.

### IMPLEMENTATION SERVICES

Hit the ground running with a successful implementation and automation of your business capabilities.

### DATA INTEGRATION

Extend and enhance the value of your platform by connecting with other source and operational systems.

### CHANGE MANAGEMENT

Leverage our proven end-to-end change enablement and training methodology to prepare and support users to adopt new technology and processes.

### MANAGED SERVICES

Ensure your Salesforce instance is always maintained, up to date, and optimized. Continuously improve your users' ongoing experiences.

“

“There’s no question who I’m going back to. Their knowledge and talent have far **exceeded my expectations!**”

— Nicole Smith,  
*BigCommerce*

“**Simplus listened to us** and treated us like a partner before we even signed paperwork.”

— Jennifer Jacobs,  
*Momentum Telecom*
