# A Comprehensive
# Healthcare Experience
# For Your Patients

## We Ensure Your Patients
## Will Always Be Yours

Manage your clinic effectively anytime, anywhere & practice medicine hassle-free with your patients on World's No.1 CRM

healthcare360.crmit.com

## Symptom Checker

Listen to your patients, uncover the possible causes of their symptoms, and help them find the right care

## Self-Scheduling

24x7 self-scheduling, availability & wait time to flatten the curve. Isolate & prioritize COVID19 suspects amidst others

## Notifications

Maximize utilization of time, resources and personnel with automated notifications

## Teleconsultation

Practice remote consultation, telemedicine, & home healthcare amid restrictions and movement restrictions

## Digital Payment

Accept Cards, Net Banking, Wallets, UPI & EMI. Payments from multiple payment partners directly to your account

## ePrescription

Enables physicians & other medical practitioners to write and send prescriptions to the patients digitally

## Follow up

Request for medical tests from patients online, effective follow-up care is essential to outpatient practices
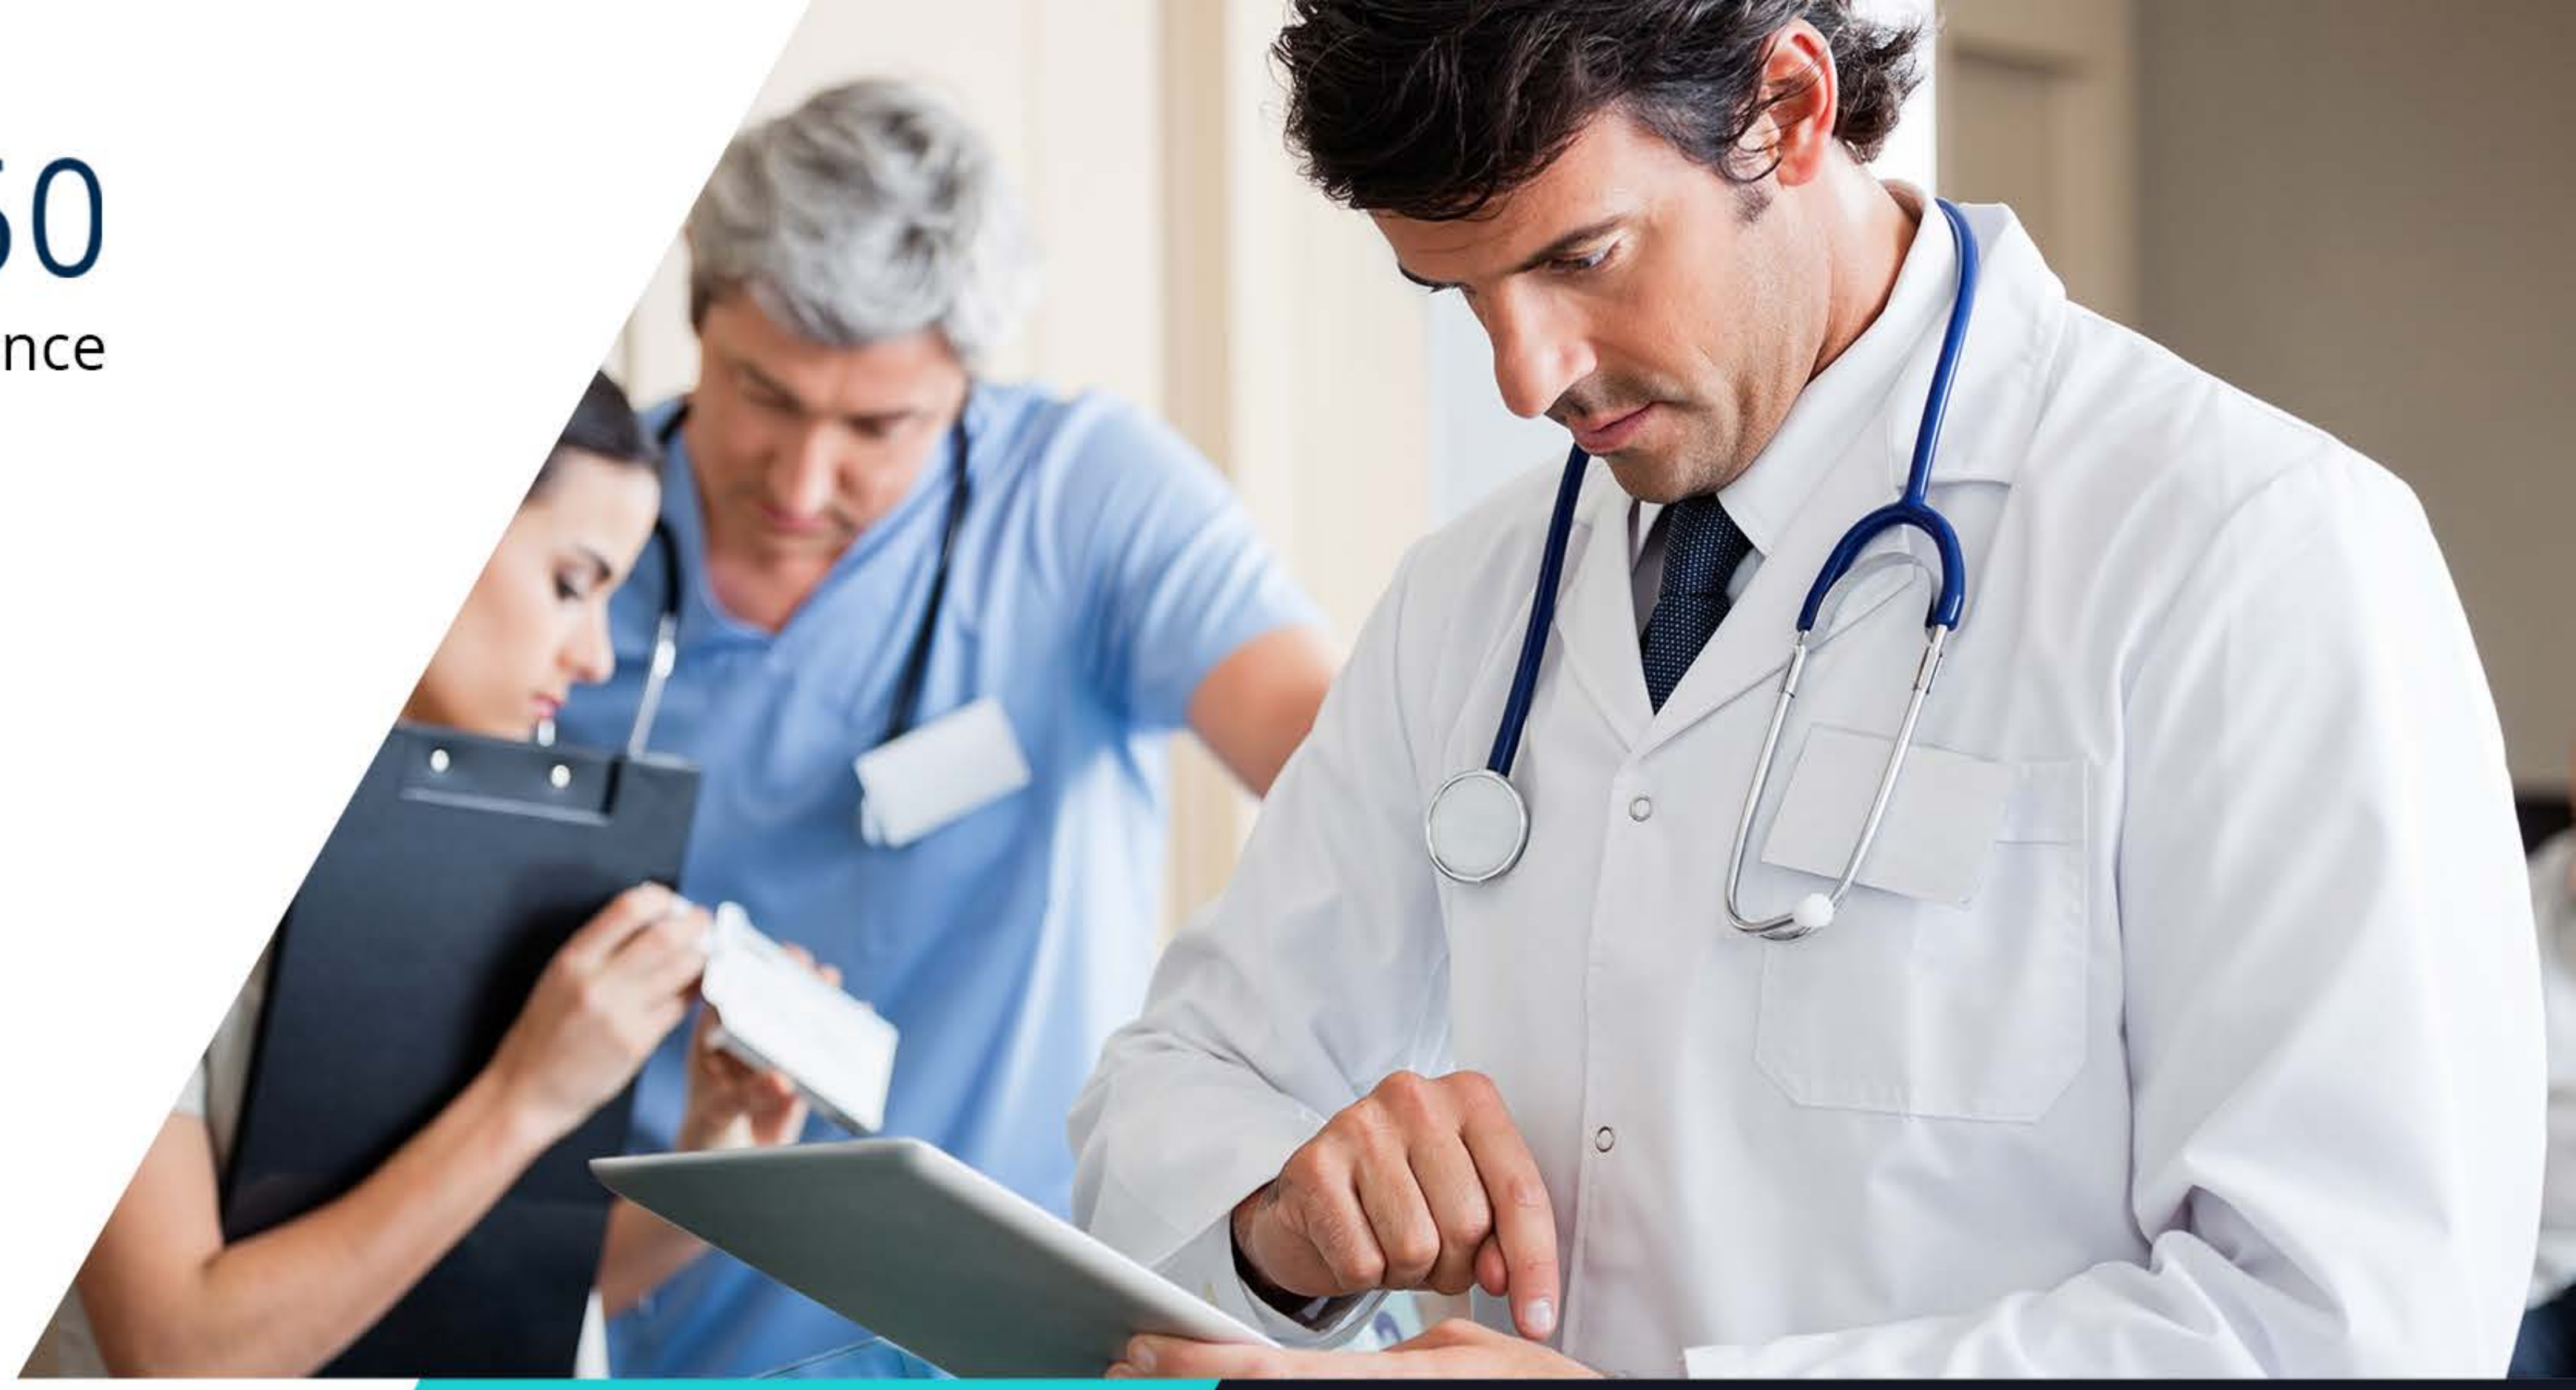

## Home Care

Extend healthcare services beyond clinics & collect patient samples from the comfort of their homes
