Peeklogic Jira Connector

Create Jira Issue from Salesforce

The screenshot displays a Salesforce interface with a 'New Jira Issue' modal form open. The background shows a Salesforce record for 'Burlington Textiles Weaving Plant Ger' with fields for Account Name, Close Date, and a progress bar. The modal form has the following fields:

- *Project:** CNC Machines Delivery
- *Issue Type:** Task
- Labels:** A search bar with the placeholder text 'Please type issue key and press enter'.
- Priority:** High
- Assignee:** choose one...
- *Reporter:** Thor Polog
- Description:** A rich text editor with the text 'Make call to manager Sabrina for contract details.'
- Due date:** 5 Jun 2020
- *Summary:** Make call for new detail

A 'Create' button is located at the bottom right of the modal form.

Peeklogic Jira Connector

Add Attachment to Jira Issue from Salesforce

The screenshot displays a Salesforce interface for an Opportunity record titled "Textiles Weaving Plant Generator". The record details include a Close Date of 04/04/2020, an Amount of €235,000.00, and an Opportunity Owner named Oleh Hryhorenko. The record is in the "Closed Won" stage, indicated by a green progress bar. A magnified circular view highlights the "Attachments" tab, showing a file named "Contact details.docx 11724" with a DOC icon. Below the magnified view, the "Add Attachment" section is visible, featuring an "Upload Files" button and a "Or drop files" instruction. The right sidebar contains a "Related" section with links to Products (0), Notes & Attachments (0), Contact Roles (0), Partners (0), and Stage History (2). The Stage History section shows a table with the following data:

Stage:	Closed Won
Amount:	€235,000.00
Probability (%):	100%
Expected Revenue:	€235,000.00
Close Date:	04/04/2020

Peeklogic Jira Connector

Create Sub-Task to Jira Issue from Salesforce

The screenshot displays a Salesforce interface with a 'New Sub-Task' modal form open. The background shows a record page for 'Burlington Textiles Weaving Plant' with tabs for 'Comments', 'Attachments', 'Sub-Tasks', and 'Issue links'. The modal form contains the following fields:

- *Project:** CNC Machines Delivery
- *Issue Type:** Sub-task
- Labels:** (Search bar: Please type issue key)
- Priority:** High
- Assignee:** choose one...
- *Reporter:** Thor Polog
- Description:** Salesforce Sans 12. Text: Send email to Sabrina with all documents.
- Due date:** (Calendar icon)
- *Parent:** CMD-16
- *Summary:** send email
- Create:** (Blue button)

Peeklogic Jira Connector

Link Jira Issue

The screenshot displays the Peeklogic CRM interface with a modal dialog titled "New Jira Issue Link" centered over the main content. The background interface shows an "Opportunity" for "Burlington Textiles Weaving Plant Generator" with details like "Account Name: Burlington Textiles Corp of America", "Close Date: 04/04/2020", and "Amount: €235,000.00". The left sidebar includes sections for "Related JIRA Issues", "Description", "Comments", "Attachments", "Sub-Tasks", and "Issue links". The bottom section shows "Activity" with options like "New Task", "Log a Call", "New Event", and "Email".

The "New Jira Issue Link" dialog box contains the following elements:

- Title:** New Jira Issue Link
- Dropdown:** A dropdown menu with a downward arrow.
- Text Input:** A text input field with a placeholder "Issue".
- Issue Selection:** A list of issues with a search bar. The first issue is "CMD-1 Delivery 10 CNC Machines to T..." with a checkbox and a "12" next to it.
- Related Issue:** A text input field with a placeholder "related issue".
- Buttons:** "Link" and "Cancel" buttons at the bottom right.
