Meet the Demands of the New Energy Consumer

The Bodhi Solar Experience

Bodhi is a digital assistant for the modern solar company, helping improve customer satisfaction and reduce customer acquisition costs.

More Communication, Less Headache

Bodhi automates your customer communications through every stage of the project by integrating with your existing CRM.

Generates More Referrals

Bodhi drives more successful leads through a personalized referral interface based on the latest solar adoption research.

Monetize The Relationship

Bodhi provides a channel to market additional products and services to your customers throughout the 25+ year system life.

Testimonials

"Thanks to Bodhi, it has reduced the amount of phone calls we receive."

Jay Johnson, Project Manager

"Bodhi has been the star of Q3 and Q4."

Dixie Tyrell, Sales Consultant

Features
