

LogicSpree

LogicSpree provides small and mid-market businesses with the ability to simplify and scale Salesforce.

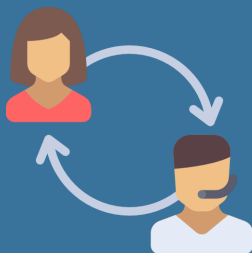

### Business Process Design

Maximize Salesforce's potential and drive additional revenue by aligning Sales processes

### Salesforce Customization

Deliver innovation and set the tone for customer experiences with out-of-the box Salesforce configurations and custom Apex code

### Managed Services

Boost your team's productivity with the support of experienced, certified Salesforce professionals

### User Training

Drive Salesforce adoption with personalized in-person training, virtual sessions, and training guides

**PARTNER  
SINCE 2019**

**Accelerate Utilization** – Utilize best practices to simplify and scale Salesforce

**Reduce Risks** – Monitor and maintain Salesforce with the support of experienced professionals

**Increase Savings** – Configure, customize, and maintain Salesforce with a team of certified professionals (but without the staffing cost of a full team)
