Connector for

**Google Shopping
& Salesforce OMS**

Our Connector for Google Shopping & Salesforce Order Management facilitates a seamless integration between a new sales channel provided by Google and Salesforce's order management system. Merchants can easily manage all orders in the same platform and have a better overview of orders and selling channels directly in Salesforce Order Management.

Gaining valuable insight into orders is another great benefit of connecting your Salesforce Order Management platform to Google Shopping.

Connector for Google Shopping & Salesforce Order Management has received its AppExchange Certification and is available for download on the marketplace.

between Google Merchant Center and Salesforce OMS

CONNECTING GOOGLE SHOPPING & SALESFORCE ORDER MANAGEMENT

SEAMLESS INTEGRATION

Unify and synchronize both selling channels—your ecommerce store and your Google Shopping store—by connecting the way you manage your orders.

EASY TO INSTALL

Connector for Google Shopping & Salesforce Order Management is easy to install and configure in your Salesforce Order Management and Salesforce Commerce Cloud platforms.

ORDER CANCELLATION

You can cancel full orders or specific order items directly from Salesforce Order Management. Cancellations are automatically synced in Google Merchant Center.

ALL ORDERS IN ONE PLACE

You will be able to manage orders from Google Shopping directly on the Salesforce Order Management platform together with orders from all your other selling channels.

ORDERS SYNC & FULFILLMENT

New orders placed on Google Shopping are created automatically in Salesforce Order Management, based on the schedule set up by you. The orders are fulfilled in Salesforce Order Management using the Google API.

RETURN SYNC

New returns initiated on Google Shopping are automatically updated in Salesforce Order Management, based on the schedule set up by you. Once the returns are synced, you can approve or reject them.
