WHO WE ARE

SERVICES AND EXPERTISE

ENTERPRISE COLLABORATION

Our innovative capabilities help our Fortune 500 customers connect and engage their communities, earning us more than a dozen industry awards in the enterprise collaboration space.

PERSONALIZATION & UNIFIED SEARCH

Harness the power of AI-enabled unified search and rest in the confidence that the most relevant and valuable content is being delivered to your online users, wherever they choose to be.

BUSINESS INSIGHTS & ANALYTICS

Insight is better than hindsight™. Our powerful solutions deliver instant intelligence from vast volumes of data, helping our customers significantly outperform their peers.

CLOUD & SOFTWARE DEVELOPMENT

We enable our Fortune 500 clients to delight their customers and boost employee satisfaction by delivering an impeccable user experience driven by the seamless integration of multiple technologies.

CHANGE AS A SERVICE

Achieve your strategic vision and raise the success rate of your organization's change initiatives through the effective application of our Digital Change Management of our Digital Change Management Playbook and Services.

DIGITAL TRANSFORMATION

We've been transforming business models into interactive, connected, extended services for more than a decade with our SMAACC* solutions. (Social, Mobile, Analytics, AI, Cloud, Digital Change Management)

WHAT WE DO

At iTalent Digital, we celebrate individuals and diversity, cultivating a culture where our people can excel and lead balanced lives. Recruitment at iTalent is guided by an unwavering principle: Only hire the best. Because we have the best people, we have the privilege of working with the best clients, doing the best work, and effecting transformative change at work and in our communities.

WE LOVE TO GIVE BACK

Top female engineering students are offered internships to receive mentorship and work alongside iTalent Digital's Hyderabad engineering team.
