

OLYMPIC COLLEGE

Friendly, Flexible and Responsive

"I have greatly appreciated working with Enrollment Rx on the implementation of our CRM. We have a home-grown legacy data system that made for a challenging project, but ERX was there for us every step of the way. **They have been friendly, flexible and responsive to all of our requests.**"

- Director of Communications & Web Service
Olympic College (Bremerton, WA)

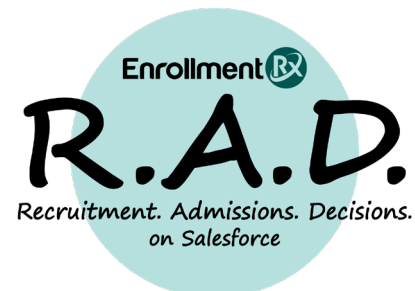

TRINITY Western University

Scalable Products

"Working with Enrollment Rx made our transition to Salesforce smooth and efficient. Their onsite implementation team worked closely with us to ensure that they fully understood our needs. They challenged us to think differently about how we recruit and helped us to refine our processes to allow us to scale our operation to handle a new season of growth. **Since moving to Salesforce in 2016, our overall university enrollment has grown by 25%. This would not have been possible without Salesforce and Enrollment Rx."**

- Vice President of Enrollment

Trinity Western University (Langley, British Columbia, Canada)

DORDT UNIVERSITY

Delivers Results, Out of the Box

"The product line from **Enrollment Rx** allowed us to use **Salesforce right out of the box**, greatly reducing the cost and time associated with a custom build solution. While the product line is great, I am continually impressed with the people and support behind the products that take time to troubleshoot, listen to customer input, and deliver the results we are looking for."

- Salesforce Administrator
Dordt University (Sioux Center, IA)

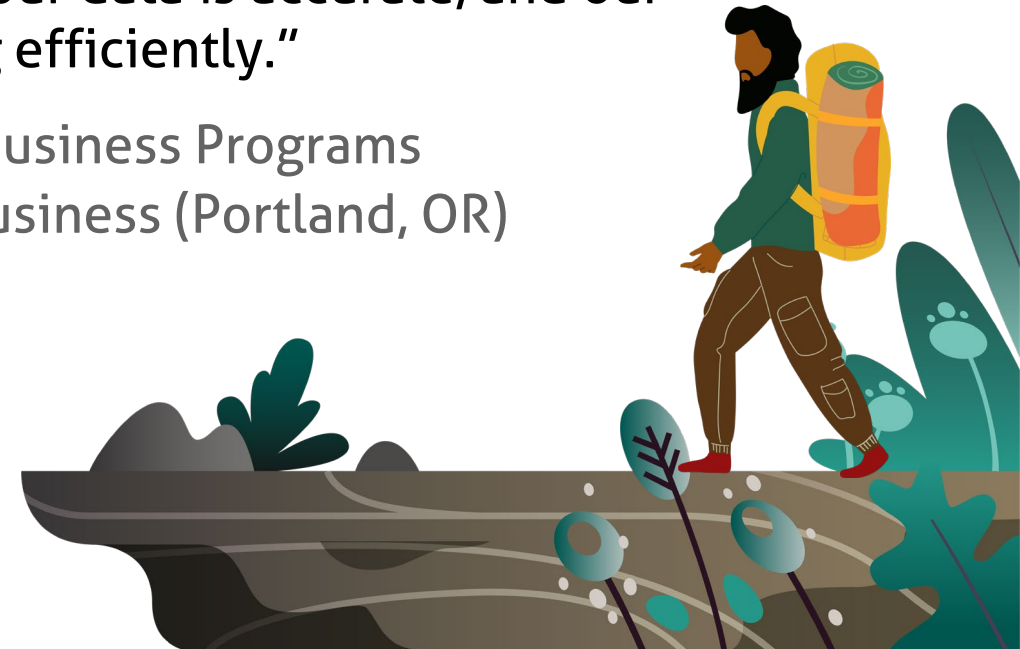

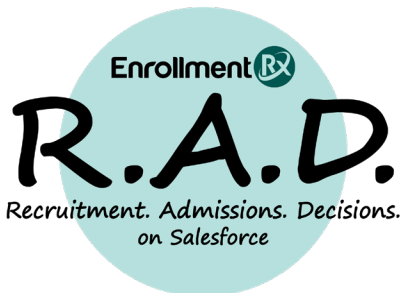

PORTLAND STATE UNIVERSITY

Stellar Support, Accurate Data

"Implementing a complex CRM system like Salesforce was an overwhelming endeavor with a lean staff. Enrollment Rx bridged the gap between our unique needs and the technical structure of the platform, with **an easy-to-use solution tailored for higher education**. The implementation and support teams were instrumental in a smooth and timely transition and put our minds at ease through the process. We are confident that our data is accurate, and our admission process is running efficiently."

- Admissions Manager, Graduate Business Programs
Portland State University School of Business (Portland, OR)

LEHIGH UNIVERSITY

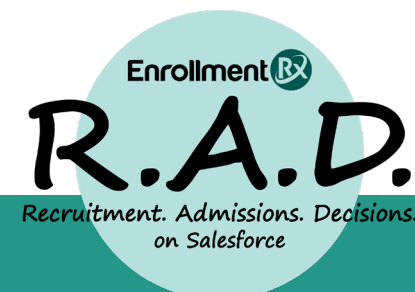

Single Software Solution, High Quality Service

"Partnering with Enrollment Rx has allowed us to deliver a higher quality of service to our applicants. We have minimized the number of systems used in the application reading process from three different software systems to a single software solution. **The portal functionality is a game changer**, with real-time visibility to applicant data, generation of electronic personalized decision letters, and more enabling us to provide stellar service and support to our applicants."

- Director, Enrollment Management Services
Lehigh University (Bethlehem, PA)

Wingate University

Expansive Abilities, Tailored for Higher Ed

“When we were looking for the best CRM solution for our university, we were immediately impressed with the expansive abilities of the Salesforce platform. Partnered with the Enrollment Rx products that **tailored the platform for higher education and enabled us to get up and running in record time, we are truly becoming a connected campus.**”

- Vice President for Enrollment Management & Business Intelligence
Wingate University (Wingate, NC)

Saint Louis University

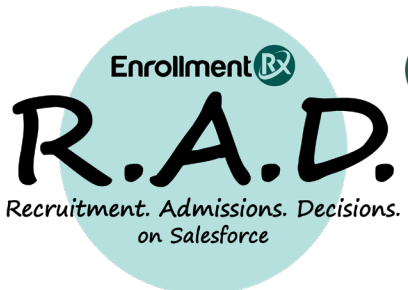

Out-of-the-Box Functionality

"Having every student contact, every admission document, and every campus visit in one spot was a must on our checklist. The **out-of-the-box functionality** offered with Enrollment Rx's product suite ensured that **we didn't need a technology background to implement the CRM solution** we were seeking."

- Director of Communication, Office of Admission
Saint Louis University (St. Louis, MO)

Flawless Integration

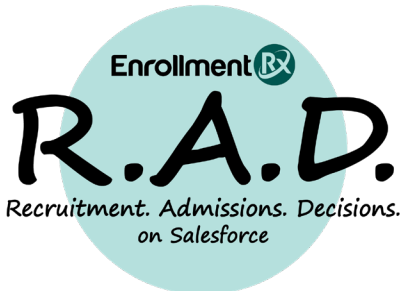

"Enrollment Rx did a great job of getting us up and running. We are a demanding client with a lot of specialized needs that tested their team on many occasions. **Enrollment Rx's product allows us the freedom to build custom processes...** Integration is always the most challenging aspect of new software and Enrollment Rx made it come together flawlessly."

- Director of Admissions

University of Alaska, Anchorage (Anchorage, AK)

UNIVERSITY

Temple University

Fox School of Business

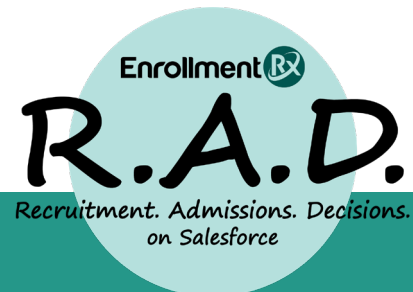

Flexibility and Adaptability

"Enrollment Rx gave us the structure to match the higher ed model we were going for with the flexibility to mold the platform as much as needed to fit squarely with our needs. The flexibility we have has been a breath of fresh air. **We can quickly adapt to changing dynamics while creating a fresh and interesting experience for students that drives a higher level of engagement.**"

- Sr. Associate Director of Graduate Enrollment Mgt. & Marketing
Temple University Fox School of Business (Philadelphia, PA)

TEMPLE UNIVERSITY®

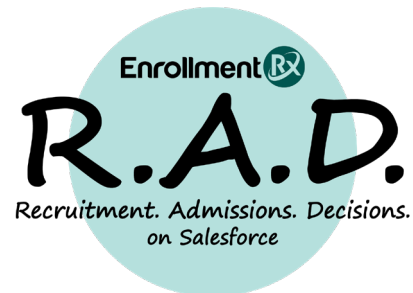

UNIVERSITY OF Nevada Graduate College

Stellar Support, Accurate Data

"The Enrollment Rx team has been an outstanding, flexible, supportive, and innovative partner -- never facing challenges with a "no, we can't do that" and always working with us to find a way to build a system that suits our needs and our wishes! **The Enrollment Rx product capabilities create an incredible experience for our prospects, applicants, and students**, as well as an efficient, data-driven, and easy back-end process for our Graduate College team and our faculty partners in each graduate program. This is a game changer for us, and Enrollment Rx has been the partner we needed to make it all happen."

- Dean of the Graduate College
University of Nevada, Las Vegas (Las Vegas, NV)

UNIVERSITY OF WISCONSIN **SUPERIOR**

Phenomenal Implementation Service

"The Enrollment Rx team was phenomenal with our implementation. Our project lead was always quick to respond and very organized when it came to keeping us on track and tailoring things to our institution's needs. **Enrollment Rx truly gets to know their clients and their unique circumstances and that is why their level of service stands out.**"

- Director of Admissions

University of Wisconsin, Superior (Superior, WI)

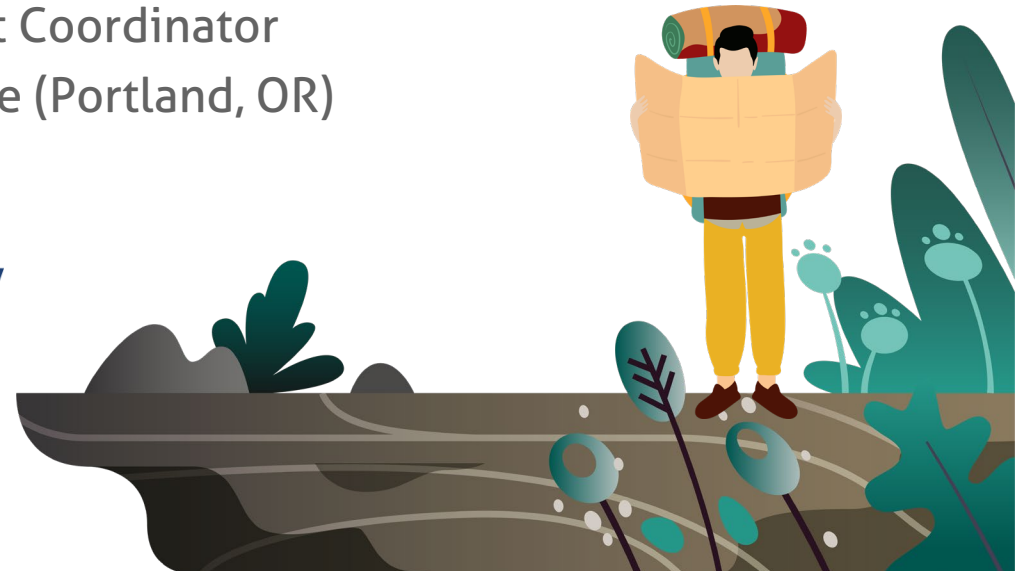

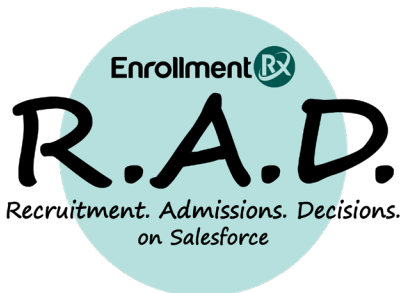

Portland Community College

Single Application, Personalized Data

"We realized our admissions application process was confusing to our applicants, requiring us to restructure our data and rebuild the application. **FormBuilder Rx by Enrollment Rx enabled us to easily build the application to the specifications requested, with logic that allowed us to create a single application** for both domestic and international applicants. Now applicants are guided through questions that are relevant only to them minimizing confusion and providing a pleasant user experience."

- Student System Support Coordinator
Portland Community College (Portland, OR)

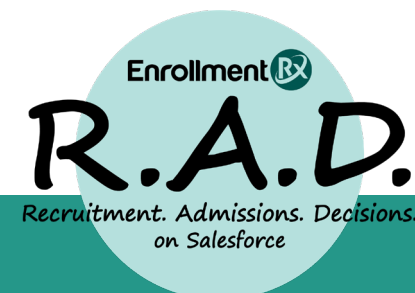

CLARKSON COLLEGE

Advanced Enrollment Management Technology

"As the sole admin at Clarkson College, I have found the level of support, product functionality, and entire ecosystem at Enrollment Rx to be second to none. I contribute many of day-to-day achievements to the successful implementation of the Enrollment Rx platform. If I encounter an issue that I can't figure out, I know Enrollment Rx will assist to resolve it. **I highly recommend Enrollment Rx to any college or university seeking to advance their admissions processes** with the latest in Salesforce and enrollment management technologies."

- Admissions Systems Administrator
Clarkson College (Omaha, NB)

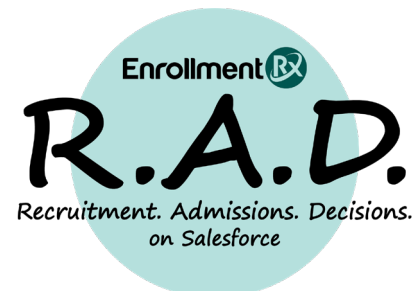

Southern Arkansas University

System Integration and Seamless Processing

"Southern Arkansas University is excited about the implementation of Enrollment Rx (ERX) on Salesforce. **We have integrated individual programs and forms into one system, helping us work efficiently and improving our students' customer service.** In this unusual year, ERX supported a seamless transition to remote work for many team members. ERX for Graduate Studies has literally changed our approach to graduate enrollment, and we look forward to expanding our enrollment efforts with ERX and Salesforce."

- Associate Dean of Enrollment Services
Southern Arkansas University (Magnolia, AR)
