

# Swiss QR-Bill for Salesforce

Are you ready for the future?

The new QR-Bill was launched in Switzerland on **June 30, 2020**. It allows faster, easier and more efficient payment possibilities for all.

It will gradually replace the current Orange & Red payment slips, which are planned to be fully discontinued and removed from the market by **September 30, 2022**.

## The Nexellerator Swiss QR-Bill Solution

- Natively built on the [salesforce.com](https://www.salesforce.com) platform
- No need for connection to external banking or ERP systems
- Adapted to your specific needs
- Strict Swiss QR-Billing standards are supported and respected
- Adaptable to any data model & invoicing application
- Can be adapted to any Corporate Identity
- QR-Bill output as PDF or editable MS-Word
- Single or mass QR-Bill generation

 **swiss made software**

## Let us help you get ready for the future
