Evolving-Consulting

Reach your business & technology goals without any budgetary distress.
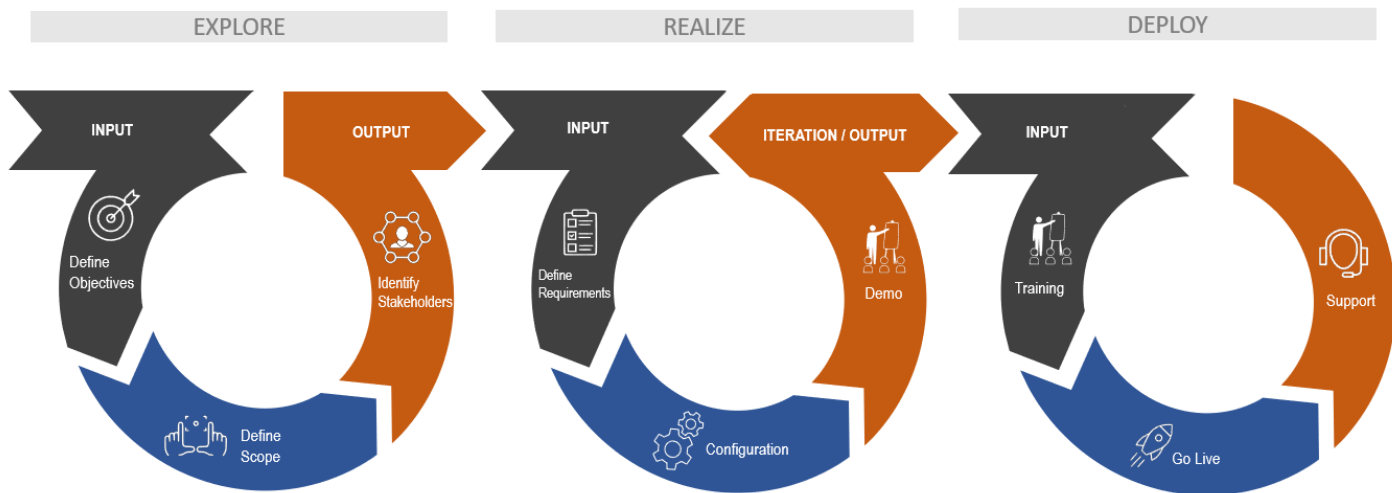

Welcome to Evolving-Consulting

We are a team of likeminded
consultants from different walks of life who have a
common mission.

That mission is to serve as enablers for our clients so
they can reach their business goals at the same time as
their technology goals, managing scalability at an
organic pace without any budgetary distress.

We understand the importance of customer experience
in the success of any system implementation, and the
urgency of delivering the right solution to our
customers on time, within budget and with high
quality.

Why Us?

At Evolving-Consulting we are committed to use our
extensive experience in Project and Change
Management to ensure our delivery methodology
is reliable and transparent no matter the industry, size
of the customer or solution, we guarantee a
foreseeable and consistent outcome.

What We Offer

We specialized in three main services:

$ Sales Cloud

Service Cloud

Pardot

Our customer centric approach constitute of
four foundational principles:

❑ Full Comprehension of customer business strategy and
   its translation into day-to-day processes.

❑ Tailored solution recommendation based on industry
   best practices.

❑ Well defined implementation process with constant
   communication that always keeps the customer abreast
   of progress and milestones.

❏ Training, coaching and support to ensure transition is
   seamless and system functionality is
   leveraged effectively at its highest potential.

System Implementation
