

EXPERIENCES MATTER. PEOPLE MATTER.

DESIGN EMPOWERED AND ENGAGING SALESFORCE EXPERIENCES.

Combining our design and innovation expertise with the power of Salesforce allows you to connect with customers, employees, and partners instantly and consistently across multiple channels.

HOW WE HELP

We design brands, products, and services by understanding what customers need—unlike traditional systems integrators.

Understand Buyers and Customers

Define audience personas

Map buyer/customer journey

Identify buyer/customer needs/expectations

Uncover strategic opportunities

Position Your Brand for the Market

Benchmark your brand with competitors

Define unique value propositions

Establish message foundation and content strategy

Focus internal teams

Go to Market to Make an Impact

Activate consistently across channels

Create compelling campaigns

Develop content that generates demand

Launch digital experiences that drive more conversions

Deliver Experiences that People Want

Identify requirements

Validate solutions

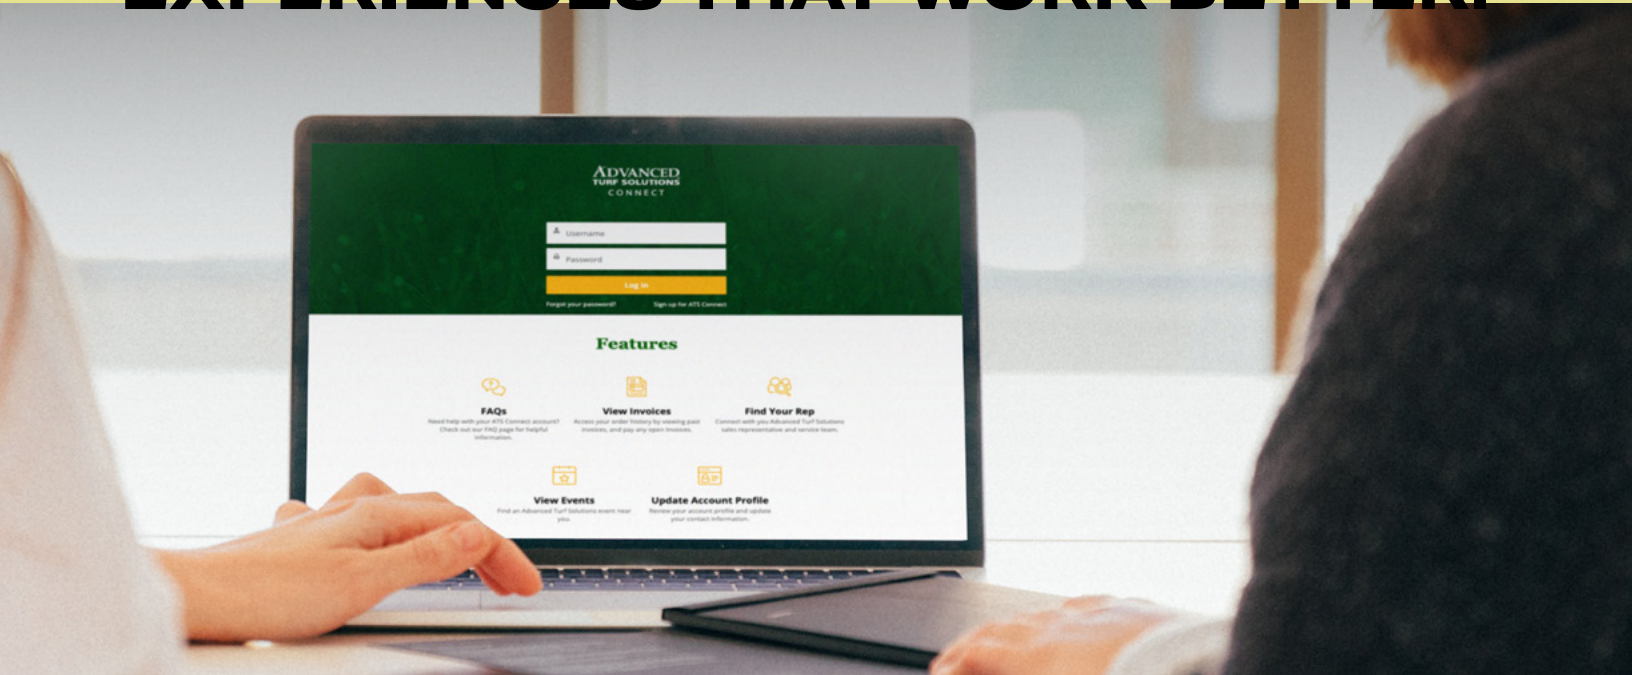

Design for needs

Envision the roadmap

“ We saw a trend in customer feedback, asking for more ways to connect with our team. Studio Science has helped us deliver self-service capabilities to those customers by expanding our use of the Salesforce platform we already had in place.

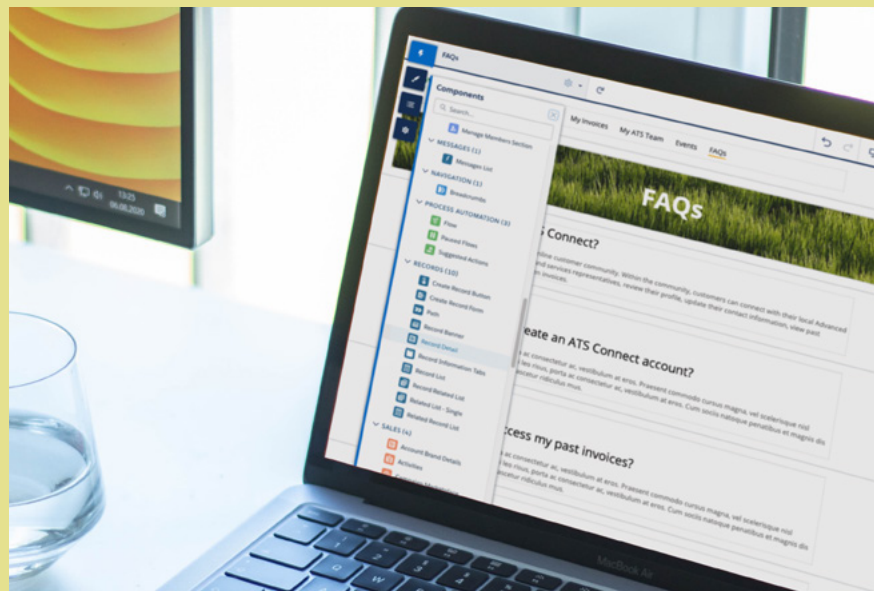

Dawn Rigby, Managing Director,
Xylem Marketing
A division of Advanced Turf Solutions, Inc.

PERSONALIZED SALESFORCE EXPERIENCES THAT WORK BETTER.

By focusing on human experiences, Studio Science, goes beyond the functional build of traditional systems integrators to help businesses create new business value. We apply a deep understanding of customer needs and behaviors to improve complex transactions with valuable solutions focused on more meaningful experiences on the Salesforce platform. By designing more desirable products and services, better experiences are delivered that lead to more profitable opportunities and the conversion of more loyal customers.
