MTX

Public Sector Grants Management Solution

Do you need a better end-to-end grants management system?
MTX offers an optimized solution to manage the entire lifecycle of your grants management program. With a user friendly intake process, easily reportable program metrics, and sensible programmatic and financial processes, this solution allows for in-depth insights and an auditable, independent scoring committee capability.

FEATURES:

- Interactive application forms

- Grants.gov Integration

- Customize workflows with multiple application stages and requirements to suit unique grant program processes

- Manage communications and alerts including award notifications

- Accelerate review by multiple stakeholders with automatic workflows

- Automate reviewer assignment of applications

- Manage, score, and monitor through full lifecycle of applications

- Out-of-the-box grant reports to satisfy federal reporting requirements
