

Complete data access

- ✓ Import any Salesforce object you need to process your commission plans with zero configuration required.
- ✓ Sync your data in real-time, or on a schedule, to determine when new data flows in.

Seamless calculations

- Setup and run queries from our system to quickly pull any object from Salesforce.
- Eliminate costly errors by ensuring all commissions are calculated using the most up to date data.

Secure and protected

- Safely request your data using OAuth2 access tokens so that your login credentials are never shared.
- Data privileges are set at the user access level meaning only the data you select will be imported.
