RSM'S SERVICES

RSM offers a full range of professional Salesforce consulting and development-related services to meet your needs both now and in the future. Because every Salesforce project is unique, we approach each engagement as a partnership and offer the trust, transparency and operational excellence that goes with it. We leverage our extensive experience across a variety of industries to create innovative, scalable and sustainable solutions for you on time and within budget. In other words, your success is our success—we want you to succeed and grow with Salesforce.

Our services include:

- **Implementation** – Obtain speed to value on digital transformation initiatives such as Quote to Cash
- **Optimization** – Fine-tune your existing Salesforce solution to meet changing business needs
- **Integration** – Connect one or more systems together with Salesforce (such as ERP systems, internal platforms and third-party apps)
- **Org migration** – Efficiently transfer your data, metadata and processes with our comprehensive framework
- **Assessment** – Determine the health of your existing Salesforce architecture
- **Roadmapping** – Get the guidance your organization needs to execute your growth plans with confidence
- **Retained team** – Get full- or part-time help with Salesforce administration, configuration and development from certified Salesforce professionals
- **Custom development** – Build custom applications to support your unique business needs

RSM'S SALESFORCE EXPERTISE

Salesforce measures and ranks the expertise, technical knowledge, project experience and customer success of all its consulting partners through its Navigator Program. To-date, Salesforce has awarded RSM the following 13 badges for its consulting excellence:
