Salesforce Expert for Custom Sales Process Setup

★★★★★ 5.00 Jul 8, 2020 - Nov 3, 2020

"Dorian made it easy for our company to transition to Salesforce. He and his team were wonderful to work with and were always available for questions. They went above and beyond what we expected in a Salesforce consultant and customized our database to work with our unique business model. We are very grateful for their help, and we highly recommend them."
