

Thynk

salesforce POWERED

We help hospitality teams globally drive higher margin sales and maximize their customers' lifetime value.

Current staff shortage impacts sales closure and service delivery. Siloed and inaccurate PMS & POS data creates operational inefficiencies. Driving direct revenue beyond the individual stay is impossible without the right processes and tool.

How does Thynk solve this?

Hotel B2B Sales

Maximize efficiency of your sales team to drive higher margin sales.

Groups & Event Management

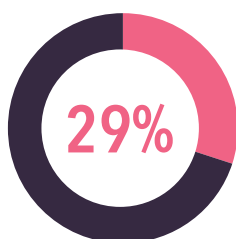

Streamline your operations team event planning, organizing and execution across all of your properties.

Data Insights

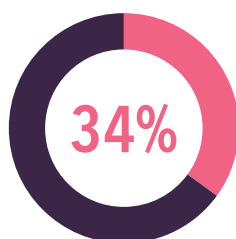

Make better decisions from consolidated CRM, PMS & POS customer data.
