Commercial Real Estate CRM on Top of Salesforce

AscendixRE is our flagship product for commercial real estate brokers available on AppExchange.

We customize **AscendixRE** and build custom functionality, offer data cleansing and migration, integrate it with other systems.

- Contacts and Accounts
- Stacking Plans
- Availabilities
- Properties
- Listings
- Leases
- Deals

Our Advanced Salesforce Search Tool

We created **Ascendix Search** to provide Salesforce users with the advanced search functionality and productivity tools. The app is available on the AppExchange and is used by leading companies, non-profits, and universities.

- Use Powerful Search Capabilities
- Create New Lists of Prospects
- Mass Update Records
- Visualize and Analyze Search Results
- Add Multiple Notes, Events, Calls
- Locate SF Records on a Map
