

MODERNIZE YOUR TENANT PAYMENT EXPERIENCE WITH AUTHVIA.

TXT2PAY® OFFERS A BETTER PAYMENT OPTION FOR TENANTS AND YOUR PROPERTY MANAGEMENT BUSINESS:

MAKE PAYMENTS CONVENIENT

With TXT2PAY®, tenants can simply reply in a text thread to make a payment. It's fast, easy, and convenient.

ELIMINATE PAYMENT RISK

Offering the highest level of PCI compliance, tenant credit card information bypasses your business completely. This process removes any fraud opportunities and data breach concerns.

INCREASE SPEED-TO-PAYMENT

Remove the cost and wasted time of printing invoices, mailing bill statements, and accepting physical payments in the office. With TXT2PAY®, tenants can make payments in real time.

TENANTS ARE READY FOR A MORE MODERN PAYMENT EXPERIENCE.

69%

of consumers who make late payments say they would be much more likely to pay bills on time if they could pay via text message.¹

39%

of invoices are not paid on time.²

80%+

of consumers want to use their phones or another online platform to make payments.³

GET STARTED WITH TXT2PAY® TODAY.

- Reduce risk for taking payments over the phone
- Shrink payment operating expenses in both time and budget
- Increase speed-to-payment with a faster payment option
