

How to add a new rule

1 Navigate to your Salesforce org

2 Click here.

3 Search for Background Changer Settings

4 Click "Background Changer Settings"

5 Click "New Object Configuration"

6 Click this text field.

The screenshot shows a 'New Object Configuration' dialog box overlaid on a darker application window. The dialog has a title bar at the top. Below the title, there is a text field labeled '* Object' with a vertical cursor. An orange circle is positioned over this text field to indicate where to click. At the bottom right of the dialog, there is a 'Cancel' button. The background application window shows a sidebar with labels like 'Account', 'Type', and 'State/Province', and a main area with text about rules.

7 Search for the object that you want to use the app for. In our case Contact

8 Click "Contact (Contact)"

9 Click "Save"

10 Click Contact on the right side.

The screenshot shows the Salesforce interface with the 'Background Changer Settings' page for the 'Contact' object. The 'Contact' object is selected in the left sidebar, indicated by an orange circle. A green notification banner in the top right corner reads 'Success! Object confi'. A blue message box states: 'The selected object does not have any rules. Please create a new rule for the selected object.' The top navigation bar includes 'Sales', 'Home', 'Opportunities', 'Leads', 'Tasks', 'Files', 'Accounts', 'Contacts', and 'Campaigns'. A search bar is located in the top right corner.

11 Click "Add new Object Rule"

The screenshot shows the same Salesforce interface as the previous one, but with the 'Add new Object Rule' button highlighted by an orange circle. The button is located at the bottom of the page, below the blue message box. The top navigation bar includes 'Contacts', 'Campaigns', 'Dashboards', 'Reports', 'Chatter', 'Groups', 'Calendar', 'People', and 'Cases'. The search bar is still present in the top right corner.

12 Search for the Contact field that you want to use as a condition

The screenshot shows the 'Background Changer Settings' page. On the left, there is a sidebar with 'Contact' and 'Account' options. The main area is titled 'Object rules for Contact'. It contains a table with two columns: '* Field' and '* Operator'. The '* Field' column has a dropdown menu that is currently open, showing a list of fields. An orange circle highlights the search icon in the '* Field' dropdown.

* Field	* Operator

13 Click "Email Opt Out"

The screenshot shows the 'Background Changer Settings' page. On the left, there is a sidebar with 'Contact' and 'Account' options. The main area is titled 'Object rules for Contact'. It contains a table with two columns: '* Field' and '* Operator'. The '* Field' column has a dropdown menu that is currently open, showing a list of fields. An orange circle highlights the 'Email Opt Out' option in the dropdown menu.

* Field	* Operator

14 Click this text field.

A screenshot of a web application interface for configuring rules. At the top, there is a navigation bar with links: Accounts, Contacts, Campaigns, Dashboards, Reports, Chatter, Groups, Calendar, and People. Below this is a main content area. In the center, there is a form with three fields: '* Operator' (containing 'Equal'), '* Type' (empty), and '* Value' (empty). An orange circle highlights the '* Type' text field. Below the '* Type' field are two buttons: 'Save' and 'Add new Object Rule'. The bottom of the page is a solid blue bar.

15 Select Comparison Type

A screenshot of the same web application interface as in the previous image. The '* Type' field now has a dropdown menu open, showing two options: 'Raw' and 'Field'. An orange circle highlights the dropdown menu. The rest of the interface, including the navigation bar and buttons, remains the same.

You can either use "Raw" and compare against hard-coded values or use "Field" and compare against other Contact fields

16

Select your value

The screenshot shows a configuration interface for an object rule. It features three main input fields:
1. *** Type**: A text input field containing the value "Raw".
2. *** Value**: A dropdown menu currently open, showing two options: "True" and "False". The "False" option is highlighted with an orange circular selection indicator.
3. *** Color**: An empty text input field.
Below the "Type" field, there are two buttons: a blue "Save" button and a light blue "Add new Object Rule" button.
The interface is set against a light blue background.
