

Imagine being able to request, accept, and manage donations using the same platform you use to track donor data.

Think of the time savings, the flexibility, and all the valuable insight – **and get excited because we have a solution that can deliver all that and more!**

Linvio Donations is a digital commerce solution helping nonprofits & higher-ed institutions use Salesforce to take donations pages – and donor experiences – to the next level

Nonprofits, foundations, and higher-ed institutions do amazing work. They support struggling families, fund life-saving medical research, preserve the planet, build more vibrant communities, and work tirelessly to drive meaningful change in the world.

Donations fuel most of that good work, and nonprofit teams like yours devote an enormous amount of time and energy to raising money and keeping donors happy.

Linvio Donations is here to make requesting and collecting donations faster, easier, and more convenient for everyone involved.

How? By allowing you to create and manage branded, professional, fully-functioning donation pages using Salesforce.

Linvio Donations is designed to meet the unique needs of non-profit and higher-ed institutions. It's fast, flexible, and easy to use.

With Linvio Payments + Donations, you can use Salesforce to:

-  Build a fully-functional donations page with just a few clicks
-  Customize donations page design & branding with Experience Builder
-  Set up new donations pages for specific needs
-  Maintain & manage multiple unique donations pages
-  Accept and process one-time & recurring online donations
-  Create donor portals with online account access
-  Securely view donation & payment data in Salesforce
-  Access detailed donation history in Salesforce
-  Build automatic workflows triggered by online donation status
-  Notify donors about urgent needs, upcoming programs, and donor perks

If you're interested in making it as easy as possible to accept, manage, and track donations and get more value from your Salesforce investment, Linvio Donations is the solution for you.

Our combination of functionality, flexibility, and affordability simply doesn't exist anywhere else.
