

Need an easy way to plan, manage, and host events?

We've got you covered.

Linvio Events is a digital event management solution helping businesses like yours use Salesforce to run successful events and exceed attendee expectations.

Events are great, but let's face it, hosting can be a hassle – especially when it comes to managing registration and keeping attendees up-to-date and in the know.

There are dozens of events you can host – workshops, conferences, fundraisers, training classes, happy hours, community service days, concerts, dinners, Q&A sessions, book signings, lectures ...

And so many details to keep straight – free vs. paid, open vs. exclusive, in-person vs. online ...

It's enough to stress anyone out.

Linvio Events is here to help by making it fast and easy for you to create and manage free and paid events using Salesforce.

Linvio Events is Salesforce-native and designed with speed, flexibility, and attendee experience in mind.

With Linvio Payments + Events, you can use Salesforce to:

Speed Up Event Management & Registration

- Customizable templates for a wide variety of free and paid events
- Event-specific payment links & checkout pages
