

# SALESFORCE COMMERCE CLOUD RAPID LAUNCH KIT

Launch Salesforce Commerce Cloud fewer than 12 weeks

## Grow 2X faster and scale with the world's #1 Cloud Platform

Commerce technology is changing quickly - staying ahead of competition you need a partner and solutions that help you be efficient, and deploy new innovations quickly. Digital Commerce Advisor's Rapid Launch Kit for Salesforce Commerce Cloud, enables you to scale without limits, deploy AI-powered customer experiences, and use data driven insights to drive sales across all customer touchpoints.

Digital Commerce Advisor is a leading SaaS Commerce Consulting firm. Our Salesforce Commerce Cloud Rapid Launch Kit is developed for Mid-Market companies that are looking for a feature-rich, branded solution within a tight timeframe and an entry-level budget. Our field-tested process follows industry best practices, ensuring the best-in-class outcomes for your business.

"Digital Commerce Advisor's successful transformation for a 150-year-old iconic department store led to a remarkable 70% increase in online sales."

**Anna Salmi**  
Chief Digital Officer

Salesforce Commerce Cloud Rapid Launch Kit is a great choice for you if:

- You are a Mid-Market business with online sales ranging between \$5M - \$15M
- You are seeking an alternative to Magento Enterprise, HCL Commerce or Oracle Commerce in order to improve customer experiences and efficiency.
- You are planning to launch a direct-to-consumer (DTC) business within a tight timeline and with a minimal budget.
- You're looking for a Enterprise class platform, that scales for your complex needs in entry-level budget.

Salesforce Commerce Cloud Rapid Launch Kit includes:

- Single SFCC Site
- Single Currency and Single Language
- SFCC Page Designer
- Installation of sample category and Product data
- Configuration of the SFRA features [List of SFRA features](#)
- Integration, configuration, and testing of Adyen Payment Gateway
- Integration, configuration, and testing of ShipStation
- Configuration of tax, VAT, or sales tax using client-supplied tax tables
- Salesforce Einstein AI-Powered Product Recommendations
- Five-Day Remote Discovery Session
- Up to 45 hours business user training
- Quality Assurance and User Acceptance Testing

Pricing starts from **\$99,000**
