

Designing a Salesforce Org for Your Business

We believe every Salesforce org should be designed for:

High Quality Data

Automation

CI/CD Integrations

Complex Environments

Security

Scalable Architecture

Kander is an award-winning, minority, and woman-founded Salesforce consultancy that helps organizations unleash the full value of their Salesforce investments.

★ 4.9 Customer Rating ★

Honest. Transparent. To the Point. *That's Kander.*

Companies that switch to Salesforce can expect a 25% increase on average in their revenue (Salesforce, 2023)
